	1	Ministry of Petroleum	
	2	Ministry of Minerals	
	3	Ministry of Tourism, Antiquities and Wildlife	

- This manual aims at providing investors with information about the projects prepared for investment within a variety of fields (agriculture, industry and economic services) in all Sudanese states; besides information concerning national institutions and ministries which have been classified according to their activities.
- The total number of the targeted projects in all agricultural, industrial and service sectors is 323 projects costing as a whole around 30 billion dollars.

1/ Agricultural Sector: 117 projects (distributed among 12 states+ 5 national institutions with area approximately totaling 8 million acres). These are located in governmental land with no restrictions and registerable with the services of water, electricity and roads available. Besides, public sector projects are available in various investment forms and they are offered to be implemented or to be shared with other stockholders. There are also private sector projects which need to be shared with producers including farmers, shepherds or fishermen.

2/ Industrial Sector: 76 projects (distributed among 13 states + 5national institutions) which are owned by the government and need to be shared or owned individually.

3/Economic Service Sector: 147 projects (distributed among 13 states + 8national institutions) offered for implementation or through the B.O.T. System.

4/Petroleum Sector: 11 projects (distributed throughout Sudan) through partnership agreement between the government and the investor.

5/ Mineral Sector: 5 projects (distributed throughout Sudan) through partnership agreement between the government and the investor.

## Northern State

### Northern State – Agriculture and Livestock Sector

Project Name	Location	Area in Acres	Activity	Project Cost in Dollars	Investment Form	Notes	Contact
Western Halfa Area	To the west of Halfa Town	500.000 divided into 33 projects with areas ranging from 4.000 to 25.000	Growing wheat, fodder, corn, legumes (beans), oil seeds, animal production, vegetables	-	Offered for implementation	Governmental land free from restrictions and registerable- desert land needing reclamation- irrigated by underground water (located within the zone of the Nubian Basin)- Depth of wells: 150-200m- water is fresh with enough productivity (15-20 gallon/minute)- distance from the River Nile is 135km and 70km from the asphalt road (Argin-Dongla)- There are plans, coordinates and sketches- No feasibility studies- close to an established project on area of (150.000) acres.	+249/911263536 Elnouredreess@yahoo.com
Western Dongla Area	To the west of Dongla Town	300.000 divided into 40 projects with areas ranging from 5 to 1.000	Growing wheat, fodder, corn, legumes (beans), oil seeds, animal production, vegetables and spices	-	Offered for implementation	Irrigated by underground water (cane plains)- fresh water is available at a well depth of 236m- fertile flat land- distance from the River Nile is 95km and 67km from the asphalt road (Argin-Dongla) - There are maps, coordinates and sketches- No feasibility studies- close to an established project.	+249/911263536 Elnouredreess@yahoo.Com
Sabina Location	Aldabba Locality	283.000	Growing wheat, fodder and animal production	-	Offered for implementation	Governmental land free from restrictions - irrigated by underground water (Nubian Basin) – wells have high productivity of water – Studies of the water depths are required.	+249/911263536 Elnouredreess@yahoo.Com
Flavio Location	Aldabba Locality- at Almalfan	155.000	Growing wheat, fodder, animal production, vegetables and fruit	-	Offered for implementation	Irrigated by underground water from the Nubian Basin. – Water quality is good and it is enough. – There is a good study – Not complete studies.	+249/911263536 Elnouredreess@yahoo.Com
Diverse Production	In various parts of the state	Different area capacities	Animal and agricultural production	120.000.000	Investment companies are required.	-	+249/911263536 Elnouredreess@yahoo.com

## Northern State – Agricultural Sector (partnerships with established projects)

Project Name	Location	Area in Km <sup>2</sup>	Activity	Project Cost in Dollars	Investment Form	Notes	Contact
Beet Sugar Project	Between Aldabba and Dongla	60.000	Agricultural and Industrial production	35.000.000	Offered for implementation	Offering partnership form with investors. -There are feasibility studies. – irrigated by underground water.	+249/911263536 Elnouredreess@yahoo. com
Hattab Agricultural Project	-	15.000	-	-	Offered for implementation	Irrigated from the River Nile	+249/911263536 Elnouredreess@yahoo. com
Western Dongla Project	Dongla Locality	5 projects with various area capacities	-	10.000.000	Offered for implementation	Partnership with others is required.	+249/911263536 Elnouredreess@yahoo. com

## Northern State – Industrial Sector

Project Name	Location	Area in m <sup>2</sup>	Activity	Project Cost in Dollars (initial cost)	Investment Form	Notes	Contact
Small projects for the production of Beet Sugar	Nubian Delta – Halfa Locality	15.000 – 20.000 acres	Producing sugar from beets with an annual capacity of	-	Offered for implementation	There is land areas in the Nubian Delta.- There is support for Production relations with land owners. – There is good and adequate irrigation water. – There are indicative studies.	+249/911263536 Elnouredreess@yahoo. Com
Producing and manufacturing of potatoes and onions	Various locations in the state	-	Producing and manufacturing of potatoes and onions	-	Offered for implementation	There are indicative studies. – High productivity from the land unit. – Water is available from the Nile and underground sources. – Investment and production relations with farmers are required.	+249/911263536 Elnouredreess@yahoo. com
Factory of Soft Drinks	Aldabba Locality – Industrial Zone at the crossroads	2.400	Producing soft drinks	1.500.000	Offered for implementation	Located at a distance of 195km near Dongla Airport. – It is 35km from Aldabba and 300km from Omdurman. – Electricity is available. – The location is part of a planned industrial city. There is no detailed feasibility study.	+249/911263536 Elnouredreess@yahoo. com
Factory of Juice and juice concentrations	Aldabba Locality – Industrial Zone at the crossroads	4.000	Producing Juice of mango, citrus and others	4.300.000	Offered for implementation	Electricity and water are available. - There is no detailed feasibility study.	+249/911263536 Elnouredreess@yahoo. com

## Northern State

Merowe Grain Mills	Merowe Locality-Karima Industrial Zone	12.000	Grain Mills	3.000.000	Offered for implementation	Located at Karima Industrial Zone, 180km far from Dongla and 10km far from Merowe. Electricity and water are available	+249/911263536 Elnouredreess@yahoo. Com
Spare Part Factory for Agricultural Machinery	Merowe Locality	4.000	Manufacturing spare parts	1.300.000	Offered for implementation	Located at Karima Industrial Zone, 180km far from Dongla and 10km far from Merowe. Electricity and water are available	+249/911263536 Elnouredreess@yahoo. Com
Food Bottling and Canning Factory	Merowe Locality-Karima Industrial Zone	4.000	Food Bottling and Canning	0004.200.	Offered for implementation	Services of electricity, water and telecommunication are available	+249/911263536 Elnouredreess@yahoo. Com
Food Bottling and Packaging Factory	Dongla locality – Alsilaim Industrial Zone	4.000	Food Bottling and Packaging	4.200.000	Offered for implementation	Services of electricity, water and telecommunication are available	+249/911263536 Elnouredreess@yahoo. Com
Gold Crushing and Filtering Factory	Dalto Locality – karma industrial Zone	2.200	Services for filtering gold	3.500.000	Offered for implementation	Services of electricity, water and telecommunication are available. – No detailed study is available.	+249/911263536 Elnouredreess@yahoo. Com
Vegetable and Fruit canning Factory	Merowe Locality-Great Industrial Zone – Kiroy near Alqarya	4.000	Vegetable and Fruit canning	4.300.000	Offered for implementation	All services are available. – Located at a distance of 20km from Merowe and 75km from the crossroads.	+249/911263536 Elnouredreess@yahoo. Com
Factory of Cement Products	Merowe Locality-Great Industrial Zone –(Alkarma)	500	Manufacturing building materials	1.100.000	Offered for implementation	Services are available. – Raw materials are available. – A study is required	+249/911263536 Elnouredreess@yahoo. Com

## Northern State – Tourism Sector

Project Name	Location	Area in m <sup>2</sup>	Activity	Project Cost in Dollars (initial cost)	Investment Form	Notes	Contact
Karma Archeological and tourist village	Burqiq Locality – Karma – 40 km to the north of Dongla	200	Archeological and tourist services	3.000.000	Offered for implementation	Located at the point connecting archeological areas – services are available	+249/911263536 Elnouredress@yahoo. Com
Halab Archeological and tourist village	Dalگو Locality	20.000	Archeological and tourist services	4.500.000	Offered for implementation	The most famous temple is located in it. - services are available	+249/911263536 Elnouredress@yahoo. Com
Sisa tourist village	Dalگو Locality – 9 km from locality	10.000	Archeological and tourist services	1.200.000	Offered for implementation	Services are available	+249/911263536 Elnouredress@yahoo. Com
Ancient Dongla Archeological village	Ancient Dongla Locality	1.28 acres	Archeological and tourist services	2.700.000	Offered for implementation	The area as the state of the archeological cemetery	+249/911263536 Elnouredress@yahoo. Com
Khandaq tourist park	Golid Locality - Khandaq	2.000	Archeological and tourist services	1.700.000	Offered for implementation	Services are available	+249/911263536 Elnouredress@yahoo. Com

## Northern State – Real Estate Projects:

Project Name	Location	Area in m <sup>2</sup>	Activity	Project Cost in Dollars (initial cost)	Investment Form	Notes	Contact
Housing Plans for the State Project of housing and Construction	From Quarter 29 is located in Dongla, Quarter10 in karima and Quarter 6 in Wadihalfa.	780 units 400 units 220 units	-	Mixed plans costing totally 26.000.000	Offered for implementation	Services are available ( electricity + water + telecommunication)	+249/911263536 Elnouredress@yahoo. Com

## River Nile State

### River Nile State – Agricultural Sector

Project Name	Location	Area in m <sup>2</sup>	Activity	Project Cost in Dollars	Investment Form	Notes	Contact
Abuhamad Agricultural Project	Abuhamad Locality	10.000	Growing legumes (beans), wheat, Trefoil vegetables and fodder.	-	Offered for implementation	10.5 km far from Nile - The area is linked through paved roads to Port-Sudan and main cities. – 447 km far from the port. – 498 km far from the capital. – 33km far from the electricity transferor line. – There are indicative studies, specific sites, maps and sketches.	Authority of Investment , Industry, Tourism, Mining and Quarries – General Directorate of Investment Tel. 00249211822557 Fax: 00249211822424 <a href="http://www.naharanileinvest.gov.sd">www.naharanileinvest.gov.sd</a> E-mail <a href="mailto:rns.miit@gmail.com">rns.miit@gmail</a> <a href="mailto:noureldeam@yahoo.com">noureldeam@yahoo.com</a>
Atbara Agricultural areas	Omaltuyoor Area	28.500 for 30 projects	Growing citrus, mango, dates, legumes, wheat, vegetables and fodder	-	Offered for implementation	33 km far from the Nile western bank. – irrigated by underground water (150 – 200 m deep).	
Western Atbara Agricultural Project – Site No.1	Atbara Locality	14.000	Growing citrus, mango, dates, legumes, wheat, vegetables and fodder	-	Offered for implementation	10 km far from the Nile. – 20 km far from Atbara. – 4 km far from the electricity transferor line.	
Western Atbara Agricultural Project – Site No.1	Western Atbara	20.000	Growing citrus, mango, dates, legumes, wheat, vegetables and fodder	-	Offered for implementation	4 km far from the electricity transferor line. – 7 km far from the Nile. – 15 km far from Merowe Town.	
Aldamar Agricultural Project	Aldamar	150.000	Growing citrus, mango, dates, legumes, wheat, vegetables and fodder	-	Offered for implementation	30 km far from Aldamar Town. Electricity and roads are available. The site is linked to the capital and other states.	

Abusalim Valley	Western Aldamar – Area of Abusalim Valley	100.000	Sugar beet, fodder, vegetables and trefoil for export	-	Investment partnership	20 km far from Nile	<p>Authority of Investment ,  Industry, Tourism, Mining  and Quarries – General  Directorate of Investment  Tel. 00249211822557  Fax: 00249211822424  <a href="http://www.naharanileinvest.gov.sd">www.naharanileinvest.gov.sd</a>  E-mail <a href="mailto:rns.miit@gmail.com">rns.miit@gmail</a>  <a href="mailto:noureldeam@yahoo.com">noureldeam@yahoo. com</a></p>
North-western Alnaqaa Valley	Almatamma Locality - North-western Alnaqaa Valley	50.000	Legumes, wheat, fodder, onions, potatoes, vegetables, trefoil, mango, citruses, water melons, melons, beans and chickpeas.	-	Offered for implementation	50 km far from Nile - Irrigated by underground water (Southern basin)	
South-western Almatamma	Almatamma Locality - Wadhamid	200.000	Legumes, wheat, fodder, onions, potatoes, vegetables, trefoil, mango, citruses, water melons, melons, beans and chickpeas.	-	Offered for implementation	Irrigated by underground water and Nile water. – 7 km far from Nile. – About 2 km to the west of Omdurman – Almatamma Road.	
Far South-western Almatamma	Almatamma Locality - Wadhamid Rural areas	200.000	Growing wheat, trefoil, onions, potatoes, vegetables and fodder.	-	Offered for implementation	Good water – 40 km far from the Main Road – Irrigated by underground water available at a depth of 200 m – Sites are now being planned.	
Alhawwad Valley	Eastern Kaboshia	1.500.000	Animal production, fodder, trefoil, wheat and vegetables	-	Offered for implementation	Studies and Plans are now being conducted- Irrigated by underground water.	
Eastern and Western of Atbara River banks	Around Atbara River	1.000.000	Mixed farming, breeding ostriches, producing grains and fodder	-	Offered for implementation	20 km far from Sidon Town – 7 km far from Nile - Irrigated by underground water and Nile water - Sites are now being planned.	

## River Nile State – Industrial Sector
